Donor Advised Fund Agreement

This Agreement is made on ______________[month/date/year], by and between _____________________________________________ ("Donor"), and the Napa Valley Community Foundation, a California nonprofit public benefit corporation located at 3299 Claremont Way, Suite 2, in Napa, California ("Foundation").

The Donor agrees to create and maintain with the Foundation a Donor Advised Fund ("the Fund") under the following terms and conditions:

1. The Fund shall be known as The ____________________________ Fund, and shall be identified as such by the Foundation and its Board of Directors in the course of administration and distribution thereof.

2. The Foundation acknowledges receipt of ___________________________ as the initial contribution to the Fund. It is anticipated by all parties to this Agreement that from time to time other assets acceptable to the Foundation may be donated to the Fund. Such additional contributions shall be appropriately acknowledged by the Foundation. If contributions other than cash are made to the Fund, such contributions must first be approved by the Foundation. All additional contributions shall be administered and distributed in accordance with the terms and conditions of this Agreement.

3. It is understood and agreed by all parties that all assets contributed to the Fund shall become an irrevocable gift to the Foundation and legal control and responsibility for the Fund rests with the Foundation. In carrying out such responsibilities, the Foundation shall hold, manage, invest, and reinvest the Fund, and shall collect the income and shall pay and disburse moneys from the Fund for public, education and charitable uses and purposes in accordance with the recommendations submitted by the below designated Advisors, as long as such recommendations are in accord with the policies of the Foundation. It is understood that such recommendations shall be advisory only, will not be binding upon the Foundation and will not be the sole criteria used by the Foundation in determining whether to make distributions from the Fund.
4. It is further understood and agreed by all parties that five percent of the initial contribution to the **Fund** shall be transferred to one or more of the Community Impact Funds below, administered by the Foundation, and that every year in January, starting in the year after this Agreement is signed, an additional five percent of the balance of the Fund shall be transferred to one or more of the Community Impact Funds below. Please indicate desired allocation in dollars. For a description of each, see Addendum B of this Agreement.

Any balance remaining in a **Fund** that no longer has an Advisor will progress to a permanent Legacy **Fund** bearing the name of the original Donor. Grants will be based upon the Donor’s charitable intent.

6. The undersigned acknowledges that the Board of the Foundation has the power and the duty to modify any restriction or condition on the distribution of funds for any specified charitable purpose or organization, if, in the sole judgment of the Foundation’s Board, without approval of any participating trustee, custodian or agent, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment or inconsistent with the charitable needs designated.

Each Fund can be invested in no more than two pools. If the Donor selects two pools, one must be the Short Term Pool. The Foundation may hold up to five percent (5%) of Fund assets in cash at any one time.

Community Impact Funds

In an effort to leverage the contributions of the Donor, and others who have established Funds at the Foundation, the Foundation administers several Community Impact Funds that pool resources from multiple givers. Distributions from each Community Impact Fund are made to charitable projects in Napa County that address key issues in a number of fields, such as the arts and education. By coordinating the efforts of many givers, the Foundation can multiply the impact of each donor, and also respond more quickly to community needs. The knowledge gained by the Foundation in making grants from Community Impact Funds also helps better support the individual distributions that the Donor may recommend from his or her Fund.

1. **Capacity Grants Fund.** Provides support for the infrastructure of nonprofits. Example: more than $150,000 in grants since 2004 to upgrade computers and databases, develop strategic plans, and professionalize marketing materials.

2. **Fund for American Canyon.** Provides support for charitable projects serving the American Canyon community. Example: $70,000 since 2004 for projects targeted to teenagers and college-age adults.

3. **Fund for Calistoga.** Provides support for charitable projects serving the Calistoga community. Example: $86,000 in grants over two years for projects targeted to teenagers.

4. **Fund for St. Helena.** Provides support for charitable projects serving the St. Helena community. Example: $131,000 in grants since 2005 for projects targeted to teenagers. Some of the projects funded were designed by teens.

5. **Fund for the Arts.** Provides support to help Napa County’s arts sector weather recent challenges and thrive. Example: $45,000 in grants in 2008 for design and implementation of a county-wide cultural plan.

6. **The Green Fund.** Provides support to identify the major causes of climate change in Napa County so policymakers can understand the best steps to take to make progress on this critical issue. Example: Plans to expand the scope of a Green House Gas study currently under way.

7. **In School & Out of School Fund.** Provides support to afterschool programs and to projects that prepare kids for college. Examples: $10,000 to an afterschool recreation and self-esteem for girls; and $20,000 for rigorous mentoring and academic counseling to low-income high school students.

8. **Neighbors Fund.** Provides assistance to individuals and families in the event of community-wide emergencies, such as floods, fires or earthquakes. Example: nearly $500,000 in assistance to families affected by January 2006 New Year’s Flood.

9. **Strong Communities Fund.** Provides support to nonprofit organizations that help people get their basic needs met and engage them in community life. Example: $285,000 in grants to organizations that provide food, shelter and emergency assistance to families negatively impacted by the current economic recession.
